DESIGN APPROACH

Inspired by the architecture of the Texas Hill country, L'Auberge du Lac provides a unique experience in the gaming market in southern Louisiana. Natural materials, including stone and wood set the overall mood of the facility. The resort's relaxed and welcoming atmosphere provides distinctive offerings certain to entice and entertain.

Set amidst lush landscaping of the resort's golf course, the property entrance is distinguished by a porte cochere with a lantern cupola providing the first glimpse of the architectural aesthetics. Guests enter the complex through a wood adorned ceiling vestibule, which leads to a fireplace lobby lounge. This space, reaching up three stories to a beamed ceiling, is layered with a ring of balconies and lit by skylights providing natural light. The main lobby features massive stone fireplaces, defining a lobby lounge on one side and a coffee bar on the other. Warm woods, natural stone and rich fabrics add color and texture to the space. Inviting furniture groupings are inspired by turn-of-the-century arts and crafts classics.

The large, single-level casino is a short distance from the front door, just beyond the lobby. This space is anchored by a large dome over a rustic themed gaming area. The slot machine and table game experience is enhanced by vaulted ceilings and the use of vibrant colors and lush fabrics befitting a grand atmosphere.

L'Auberge features numerous distinct dining options. Le Beaucoup Buffet_{sm} is inspired by the courtyard architecture of Louisiana and Texas. Large stucco arches define cozy seating areas and provide an architectural backdrop. An array of international choices is featured in this 370 seat buffet, open daily for breakfast, lunch and dinner. For the first time, the famed Jackson Hole, Wyoming landmark, Snake River Grill_{sm}, takes its award winning dining experience east of the Rockies and offers its renowned rustic ambiance and modern innovative American cuisine. A dual-sided fireplace enhances the relaxed setting of warm wood and fine leather providing a backdrop for 140 guests to enjoy steaks, seafood and wine.

Le Café_{sm}, our 24-hour casual dining experience, blends stone pergolas and shingle roof architecture, providing a variety of different alcoves for dining. The setting is inviting and enhanced with cheerful colors and fabrics and seating for 182. Enjoy hearty portions of all-American favorites, seafood, sandwiches, desserts and breakfast anytime. Asia_{sm}, a more contemporary space features Asian-fusion cuisine. Here, guests can experience a fresh and bold décor. The 80 seat eatery is a great place to grab a quick snack or a fast bowl of traditional Vietnamese soup, creative noodle dishes or indulge in our full-service sushi bar. Using the famed Tennessee sippin' whiskey as inspiration, Jack Daniel's® Bar & Grill offers seating for 165, along with a 26-seat curved bar, fire pit and a performance stage featuring live entertainment.

The full service restaurant features barbeque, steaks, specialty sandwiches and other roadhouse favorites along with more than 40 beers from around the world.

Follow your dinner with something sweet from Desserts. Indulge in tasty gelato, decadent homemade pastries and gourmet coffee selections from Starbucks®. Enjoy them in our cozy, intimate setting or take them to go. Lattes_{sm} is located in the hotel lobby and features specialty coffees, teas and pastries in addition to sandwiches and light snacks. global_{sm}, located in the center of the casino floor, entices guests with handcrafted cocktails and allows them to take a break from the gaming action in a stylish environment. Our lobby lounge, located directly across the pavilion from Lattes, serves as a meeting place with comfortable leather seating. The Poolside Bar gives the swim-up customer access from the lazy river and specializes in frozen cocktails and poolside snacks. Guests can relax on a chaise, enjoy cocktails and dine on gourmet cuisine at Nevie Beach Club_{sm}, located on a beautiful veranda overlooking all the action poolside. Or if you're feeling too comfortable to get up from your lounge chair, our cocktail servers will be happy to bring snacks, lunch, dinner and beverages to you.

Spa du Lac_{sm}, a fully-equipped cardio fitness center, a salon and a pampering full-service spa treatment facility provides refreshing rest and rejuvenation. The use of natural décor creates a relaxing environment and complements the overall experience.
